The Hong Kong College of Emergency Nursing

Background

The Hong Kong College of Emergency Nursing was established on 16 March 2011 with the following objectives:

1. To protect the public by improving the quality of health care and emergency service to the community.
2. To promote the advancement of knowledge of science and art of nursing.
3. To promote integrity, ethical conduct and standards in the practice of emergency nursing.
4. To foster the development of emergency care education.
5. To facilitate the exchange of information and ideas in nursing and matters concerning the health of the public.
6. To collaborate actively with other organizations to improve emergency care.
